

## SCHOOL SUPPLIES

As a general rule each teacher will provide the students with a list of supplies that are necessary for the school year (see our website). The district supplies paper, pencils, scissors, rulers, erasers, copybooks, and computer disks on a regular basis. We also supply a folder for each student in Grades K, 1, and 2 to carry home important papers that need parents' attention. Students in Grades 3,4 and 5 are given an **agenda book** in which is printed our **STUDENT DISCIPLINE HANDBOOK**, as well as space for daily parent signatures throughout the year.

## STUDENT DRESS
